

# FOR YOUR CONSIDERATION

Based on the public feedback gathered, the potential facility enhancements presented at the Open House have been narrowed to two bundled options for consideration:

## NECESSARY ITEMS

- Demolition of condemned arena storage area
- Acoustic improvements to arena
- Additional hockey change room

## SOCIAL HUB

PLEASE NOTE: Inclusion of the Social hub needs to occur with the initial construction and cannot occur at a later phase.

- Lobby expansion & upgrades
- New reception
- "Fireside" room
- Warm viewing area to arena
- Administration offices
- Multipurpose / party room

## FITNESS AREA

- New expanded fitness room (cardio, stretching, weights)
- New fitness studio and storage (group classes)
- Elevator and stair access to level 2

## INDOOR TRACK

- New indoor walking track

## LEISURE POOL

- New leisure pool with water features, lazy river and beach entry
- Change room retrofit
- Universal change room expansion
- Spray pad

## ARENA

PLEASE NOTE: Pioneer Arena is beyond its existing lifespan and will be closed. If current utilization is reduced to only one arena, approximately 35 hours of prime time use could not be accommodated.

- Regulation sized ice sheet
- 150 spectator seats
- Team rooms
- Lobby extension to facilitate more leisure skating activities
